Black ownership of black money, black beauty in stand by to fly back out standing customer of Lisa's Beauty and the Korean and wrote articles for the press was not nice and is alarmed to fly in the Korean beauty. Texas Dallas - Fort Worth, North Dallas Gazzet be published in the June 19 date in Dallas Plano West in a black owned beauty fly'3 Sister's Beauty Supply 'was running articles about the store.

About this article to the store ahead of the Asian (Korean and it means) that they feel heard, said to fly in a different beauty. Reporter, this shop is rude, unkind even to guests and even customers to track the movement of the plasma monitor, install and monitor customers dwijjoteumyeo will first and gave offensive. In addition, most of the store when you purchase hair care products from wholesalers in a denial of being Asian was too close an existing store can not supply the product, heard the excuses, the article said.

Ow of the article you say the store and wish to fly in a black owned beauty in all things to buy from Korean wholesalers say it was a mistake. Beauty brands in Korea, fly in the black because it is a long time. Finally, the owner of this shop stand out in the future among black beauty to share solidarity, and the sales techniques were revealed.

This article formed in 2006 BOBSA (Black Owned Beauty Supply Association) lost money in the slow geonin they fly in the black beauty is written in an extension of the doechatja. Also, the Chicago, Atlanta, the black African countries regarding the use of the shop seemed to be related to exercise is transient. Association of fly sonhyeonho beauty standing in Dallas against the "About this excessive need to overreact, but the article said in the introduction to fly in the Korean Intellectual Beauty, which was not nice for the guests and is inscribed. The existence of our business reason to ignore them like a black guest 들인데 see attitude is very unfortunate. "He said.

The following is a summary of this article.

Cool boraksaek walls and ceilings, and decorative art to have a different sense of beauty supplies yiah discrimination. It owns a black man is the 3 Sister's Beauty Supply. Ricky, and Niky crawford couple owns two shops in Plano jiyekseo opened three months ago. 10 miles in radius around the store 4 is another beauty stand out.

Press the other two located in the same distance to the first fly-caught beauty standing. When a reporter deuleoseoteul go to the store of Asian officials are not rude, not friendly, and I knew. What is more offensive to monitor the security of patrons was a plasma screen. Fly to another Asian beauty standing on the counter, the plasma screen, but the patrons followed them come down a woman was coming after him. Officials of the store to shop for the supply of black reporter prices were reluctant to comment on.

Produced by Aron Ranen 2 'Black Hair Documentary', according to a video of a black woman to buy Hair Care and Hair Care Products will spend billions of dollars a year. However, among the billions of dollars back into the black community, not just the money.

Ricky asked to go to the couple established the motive and the whispering naeswimyeo "hairdo in the beauty we have a daughter, three stand out, writes in a lot of money. But behind the beauty treatment went up to fly, I was like a very bad mood. However, this was no other choice. "He said.

This couple is experiencing difficulty in purchasing a product. Wholesale companies are Asian diners. Chemical products for purchase, rather than the hair product is easy, but the industry is sustained by black alienation from the black people have been feeling the frustration, the couple said. Purchasing goods from wholesalers, such as Nikky cells that could be been turned down. Beauty Wholesalers another store 3 Sisteer's from standing too close to fly because it took that as an excuse for the refusal.

Nikky is provided by the Asian market to buy any product that says it was a mistake. Her company to manufacture the black MS. Jesse's or Mixed Chicks are treated the same products. This brand operates in the Asian beauty and Plano West can not see is the fly.

Nikky to request the guests purchasing Required to store format, but the guests do not want to let all gubihae. The products of the Customer, to damage the head and is looking to determine whether the purchase.
